OUR SERVICES

GUARD SERVICES:

Sentry Sting Security prides itself on delivering highly trained and professional security guards for diverse settings including residential, commercial, and industrial premises. These guards are extensively trained to conduct regular patrols, monitor access points, and ensure the safety and security of the premises. Equipped to handle emergencies effectively, they are trained to deter unauthorized access and respond swiftly and proficiently to any security threats that may arise.

MOBILE PATROLS & DOG'S SECTION :

Mobile patrols involve systematic and regular inspections of designated areas by Sentry Sting's mobile patrol units. These units operate vehicles or conduct foot patrols to cover broader areas efficiently. The service is designed to deter criminal activities by maintaining a visible security presence, responding swiftly to incidents, and ensuring a heightened level of safety across the premises.

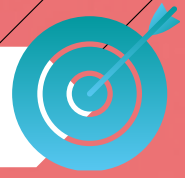

CCTV SURVEILLANCE INSTALLATION AND MONITORING:

Sentry Sting Security provides comprehensive CCTV solutions, including the installation of cameras, monitoring, equipment, and video surveillance systems. Their continuous monitoring services enable real-time surveillance of clients' premises, allowing for the detection and deterrence of suspicious activities.

OUR SERVICES

ALARM SYSTEMS:

The firm specializes in the installation and maintenance of cutting-edge alarm systems designed to detect intrusions, unauthorized entries, fires, or other emergencies. Sentry Sting ensures 24/7 monitoring of alarm systems, ensuring an immediate response to triggered alarms and providing clients with a sense of security and peace of mind.

ACCESS CONTROL SYSTEMS:

Sentry Sting excels in implementing and managing access control systems, regulating entry and exit points within properties. This includes the installation of biometric access systems, key cards, or other advanced technologies to restrict unauthorized access to specific areas, ensuring enhanced security for clients.

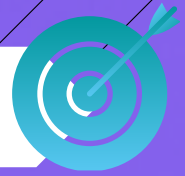

EVENT SECURITY:

Tailoring security solutions for various events such as corporate gatherings, concerts, conferences, or exhibitions, Sentry Sting's event security services encompass risk assessment, crowd management, access control, and emergency response planning. The aim is to ensure a safe and secure environment for all attendees.

OUR SERVICES

VIP/EXECUTIVE PROTECTION:

For high-profile individuals, executives, or visiting dignitaries, Sentry Sting provides specialized VIP/executive protection services. These services include personalized security details, close protection officers trained in risk assessment, route planning, and proactive security measures, ensuring the safety and confidentiality of clients

CONSULTING AND RISK ASSESSMENT:

Sentry Sting conducts comprehensive security audits, risk assessments, and consultancy services. Their expert advice includes enhancing security measures, identifying vulnerabilities, and developing customized security strategies tailored to specific client needs.

EMERGENCY RESPONSE AND CRISIS MANAGEMENT:

The firm assists clients in developing and implementing emergency response protocols and crisis management plans. This includes preparing for various emergencies, such as natural disasters or security breaches, to minimize risks and ensure a swift and effective response.

TRAINING PROGRAMS:

Sentry Sting offers thorough training programs for security personnel, businesses, or individuals. These programs cover security awareness, first aid, crisis management, conflict resolution, and other essential skills, enhancing overall security preparedness for their clients.
